# Small Group Guiding Questions

- What is the lasting impact of each movement?
- How has each movement been remembered--by its community, by the activists, etc.?

# Whole Group Discussion

- What is the lasting impact of each movement?
- How has each movement been remembered--by its community, by the activists, etc.?
- Reflect on your personal experiences with activism. What is the lasting impact of movements you've participated in? How has this activism been remembered--by the community, activists, etc.--since? If there's time, write key words or phrases on the board that encapsulates this.
